SUMMARY

.NET Developer with expertise in building scalable web applications and RESTful APIs using .NET Core, C#, and SQL Server. Skilled in backend development, database optimization, and frontend integration. Seeking to contribute to dynamic, high-performance software solutions.

TECHNICAL SKILLS

- **Languages:** C#, HTML, CSS, Bootstrap, jQuery, JavaScript
- **Frameworks:** ASP.NET MVC, ASP.NET Core MVC, .NET Core
- **Technologies & APIs:** Entity Framework Core, Dapper, ADO.NET, RESTful API, JWT, AJAX, Microsoft Graph API, Plaid API
- **Azure Services:** Azure AI Document Intelligence
- **Databases:** Microsoft SQL Server, Stored Procedures, MySQL
- **Tools:** Visual Studio, SQL Server Management Studio, MySQL Workbench, Postman, Git
- **Design Patterns & Practices:** Dependency Injection, Layered Architecture, Repository Pattern

WORK EXPERIENCE

Micro Data Care

Pune , India

Junior Software Developer

Feb 2024 - Oct 2025

School Management System (Internal Project)

- Developed a role-based **School Management System** with multi-level access for different stakeholders, improving operational efficiency..
- Designed role-based access control and optimized SQL queries, reducing data retrieval time by **25%**.
- Built and consumed **RESTful APIs** with **JWT-based authentication** for secure communication.
- Implemented **responsive UI** and **logging modules**, increasing usability and system monitoring effectiveness.

Client Projects

- Integrated **Plaid API** for automated bank transaction sync, improving reporting accuracy.
- Built **OfficeService (Microsoft Graph API)** to auto-read emails, detect Invoices/BOL/Part Sheets, and extract data using **Azure AI Document Intelligence**, cutting manual work by **30%**.
- Added ZIP attachment handling to process multiple documents automatically.
- Created custom **AI model** for multi-format invoice processing, increasing data extraction accuracy
- Migrated **Client Project** from MVC to ASP.NET Core MVC, using EF Core & Dapper for performance and maintainability.
- Developed **WhatsApp automation** using (PuppeteerSharp)

EDUCATION

B.Sc Botany | Abasaheb Garware College, Pune University | July 2019

CERTIFICATIONS

.NET Full Stack Web Developer – CIIT Training Institute (Aug 2023 – Jan 2024, 6-month course)
